SARDINIAN NATIONAL LIBERATION MOVEMENT

GUVERNU SARDU PROVVISORIU

Sardinian Provisional Government

Bearing in mind the multitude of international Treaties, Agreements etc., which have succeeded in the history of the Sardinia Nation.

Considering the 1996 and 2001 States Responsibility Articles Project

Considered, the International Illegal protracted over time, still being carried out by National and International Institutions, against the Sardinian National Liberation Movement/Guvernù Sardu Provisoriu and the entire Sardinian People.

We therefore note and reinforce the LEGITIMACY OF THE PROVISIONAL SARDINIAN GOVERNMENT, as laid down by International Law, the United Nations and, in particular, the United Nations Charter and the 2007 UNO Declaration on Indigenous Peoples' Rights.

Referring to the 1978 Vienna Convention, we apply the "Tabula Rasa" principle as provided for by International Law.

We also recall the Project Articles on the Responsibility of the States of 1996 and 2001 and the Convention on the Law of Treaties (Vienna, 23 May 1969)

We also enclose a copy of the "Declaration of Sardinian Nationality" form.

As already previously stated, National and International accreditation of the Provisional Sardinian Government is complemented and completed.

With observance

THE SECRETARY OF STATE

Giuseppe Chia
